

Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Monday 14 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:

Cooler tonight. Dry and warm with plenty of sunshine Tuesday.

This Evening and Tonight:

Dry overnight, with any patchy cloud soon clearing during the evening. The clear skies will allow temperatures to fall away, giving a chilly end to the night. Light winds. Minimum temperature 3 deg C (37 deg F).

Tuesday:

Fine, dry and feeling warmer again for many on Tuesday, with lengthy sunny spells. Winds picking up later, becoming locally strong during the evening. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:

Largely fine with sunny spells Wednesday. Showers spreading north later, perhaps heavy and thundery, continuing into Thursday. Often cloudy Friday with some showers possible. Generally warm or very warm.
